

This is to certify that
Secure IT Disposals Ltd

Secure House, 53 Kettles Wood Drive, Woodgate Business Park, Birmingham, B32 3DB, West Midlands

Has been assessed
by Tom Ellson for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: Internet facing infrastructure for Secure IT Disposals Ltd including firewalls, routers, end user devices and hosted systems located at United Kingdom

Certification date: October 18th, 2018

Recommended re-assessment date: **October 17th, 2019**

Certificate no.: 5260698622268355

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
